

New Application for Corporate Membership 2008

Part A

Introduction:

1. Membership of FOIL is open to individuals whose professional practice is (or must have been if not currently in practice) acting predominantly or exclusively for or on behalf of Insurers (excluding legal expenses insurers).
2. Members may join under a "Corporate" or Firm's Subscription Rate. The subscription rate shall be based on the number of eligible persons in employ and/or in partnership within the practice, such number to be confirmed on this form below. Whilst members joining through their firm are entitled to all mailings and information relating to FOIL "Corporate" Membership only entitles the firm / office involved to one vote on behalf of all its members which must be exercised through one nominated individual (deemed to be the first named unless otherwise specified).
3. No member joining through the "Corporate" Membership is entitled to sit on any FOIL Committee. Membership of Committees will be restricted to those making an individual application and paying the individual Member subscription of £95.00. All individual members will be entitled to their own vote.

All those signing below declare that their individual professional practice comprises predominantly or exclusively of actions for or on behalf of insurance companies and self insurers (excluding legal expenses insurers).
