**Call for Evidence**

**Personal Injury Discount Rate**

**(16 January 2024)**

This further Call for Evidence by the Ministry of Justice is intended to assist the PIDR Expert Panel in the process of obtaining up-to-date data and information on a wide range of topics relevant to modelling claimants' likely return on investment. This includes claim and claimant characteristics, claimant investment experience, investment expenses, changes to earlier Call(s) for Evidence, the impact and practicalities of adopting a dual/multiple PIDR and how compensation payments are made.

We are advised that all submissions will be considered and used to inform the work of the Expert Panel in providing advice to the Lord Chancellor. The Call can be accessed at the following link: <https://www.gov.uk/government/calls-for-evidence/setting-the-personal-injury-discount-rate>

Responses are due by **9 April 2024**.

FOIL will be coordinating a response to this Call and is aiming to organise an online event nearer the response deadline. If you want to forward any evidence or offer feedback, please contact: [jeffrey.wale@foil.org.uk](mailto:jeffrey.wale@foil.org.uk)
