"*I'm delighted to welcome QG Law and the QuestGates Group to FOIL.*

The combination of the Group's claims solutions and legal services expertise further strengthens the already considerable depth of knowledge and experience within FOIL. We look forward to working with Jason and all his colleagues in the years to come.

FOIL plays a vital role in supporting the insurance ecosystem, and the addition of QG Law is a significant milestone. It means that almost every law firm or Group providing legal services to the (re)insurance industry now supports FOIL, helping to reinforce our position as the collective voice of the sector and highlighting the importance of the work we do for our members and their clients"
