

FOIL is pleased to announce a new member to our list of Trade & Industry Partners:

Scenario Risk Partners

"We are delighted to join FOIL as a Trade & Industry Partner. Effective risk management and clear, evidence-based evaluation are vital across both the insurance and legal sectors to reduce claims disputes and build resilient portfolios. We look forward to collaborating with FOIL members to demonstrate how proactive risk remediation, specialist surveying, and independent expertise support defendable underwriting decisions and stronger risk outcomes."

Jarrod Johnson – Managing Director at Scenario Risk Partners

Scenario Risk Partners — Home

"It's impressive to see such a broad depth of experience from a new start-up, bringing a fresh, holistic approach to risk management that strengthens and adds real breadth to the range of services offered by FOIL's seventeen trade and industry partners."
